E-Governance projects

270. SHRI MAHENDRA MOHAN: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether it is a fact that recently a detailed plan has been launched for execution of 26 mission mode E-governance projects and eight support components at an estimated cost of Rs. 23000 crores for creating citizens - centric and business-centric environment for governance;

(b) if so, the details thereof, including the phased programme drawn up for its execution; and

(c) the details of the monitoring machinery set up to ensure time-bound implementation of the various projects so that the benefits of information technology are available to the citizens as early as possible?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) and (b) Government has approved the National e-Governance Plan (NeGP) covering its Vision, Approach, 26 Mission Mode projects & 8 support components is given in the enclosed statement (*See* below) Assigning of Roles and Responsibilities and Programme Management Structure required for Implementation of NeGP. Financial details would need to be worked out project-wise by the concerned line Ministries/Departments/State Governments and for these projects, approval of competent authority would be required as per the existing provisions of General Financial Rules.

NeGP. provides an over-arching framework under which various Mission Mode Projects and supporting Components would be executed. Whilst NeGP would be an ongoing programme, individual project/ components will have phased plan.

(c) Apex Committee under the Chairmanship of Cabinet Secretary is overseeing the implementation of NeGP programme and a Body under the Chairpersonship of Prime Minister would be monitoring the programme. In addition, project level monitoring would be carried out by respective line Ministry/Department/State Government.

Statement
